Long Beach Transit Water Taxis Are Back in Service for the Summer

The AquaLink and AquaBus stop at many popular LB harbor destinations

LONG BEACH, CALIF. (May 16, 2013) – Long Beach Transit’s popular water taxis, AquaLink, AquaLink Express and AquaBus, are back on the water from May 18 through September 29, 2012. AquaBus service is \$1 one way and connects customers to popular downtown attractions like The Queen Mary, Hotel Maya, Aquarium of the Pacific, Pine Avenue Circle and Shoreline Village. AquaLink service is \$5 one way and connects The Queen Mary and Aquarium visitors to eastside ocean-front destinations like the Belmont Pier and Alamitos Bay Landing. AquaLink Express directly links the Aquarium and Alamitos Bay Landing.

“The residents of our community and those vacationing in our amazing city of Long Beach have discovered that Long Beach Transit’s water taxis are a great way to get around in our scenic harbor. They can relax, enjoy the view and a refreshment on our AquaLink service, while getting from point A to point B,” said Julia Gomez, Long Beach Transit’s Executive Director and Vice President of Operations and Systems Security.
