Long Beach Transit Service Changes Effective August 23, 2015

Route 1 Extends to SouthBay Pavilion; CSU, Dominguez Hills; and StubHub Center

LONG BEACH, CALIF. (August 17, 2015) – Starting Sunday, August 23, Long Beach Transit service changes will commence.

Route 1: Service is being extended to SouthBay Pavilion; California State University, Dominguez Hills; and the StubHub Center (home of the LA Galaxy). The route will now serve the Del Amo Blue Line Station instead of Wardlow Station. The last outbound trip from the Transit Gallery in downtown Long Beach that previously left at 8:35 p.m. will now be extended to 9:05 p.m. The last inbound arrival to the Transit Gallery that previously arrived at 8:35 p.m. will now arrive at 11:10 p.m. Due to the route change, Route 1 will no longer serve bus stops at: Wardlow Station Bay 2, and Wardlow at Magnolia southeast.

Routes 1, 21, 22, 71, 72: Saturday and Sunday service is being improved from 45 minutes to every 40 minutes.

Route 51, 61: Service is being reduced from 15 to 20 minutes on Saturdays and buses with more customer capacity will be used to assist in offsetting the service reduction.

Route 81: The last two eastbound trips are being removed due to low demand. The last eastbound trip will now depart the Transit Gallery in downtown Long Beach at 5:15 p.m.

Route 103: Buses are now laying over on Lakewood at Candlewood instead of Lakewood at Hardwick.

Route 131: Service is being improved from 60 to 45 minutes.

Route 173: One later northbound weekday trip is being added due to increased demand.

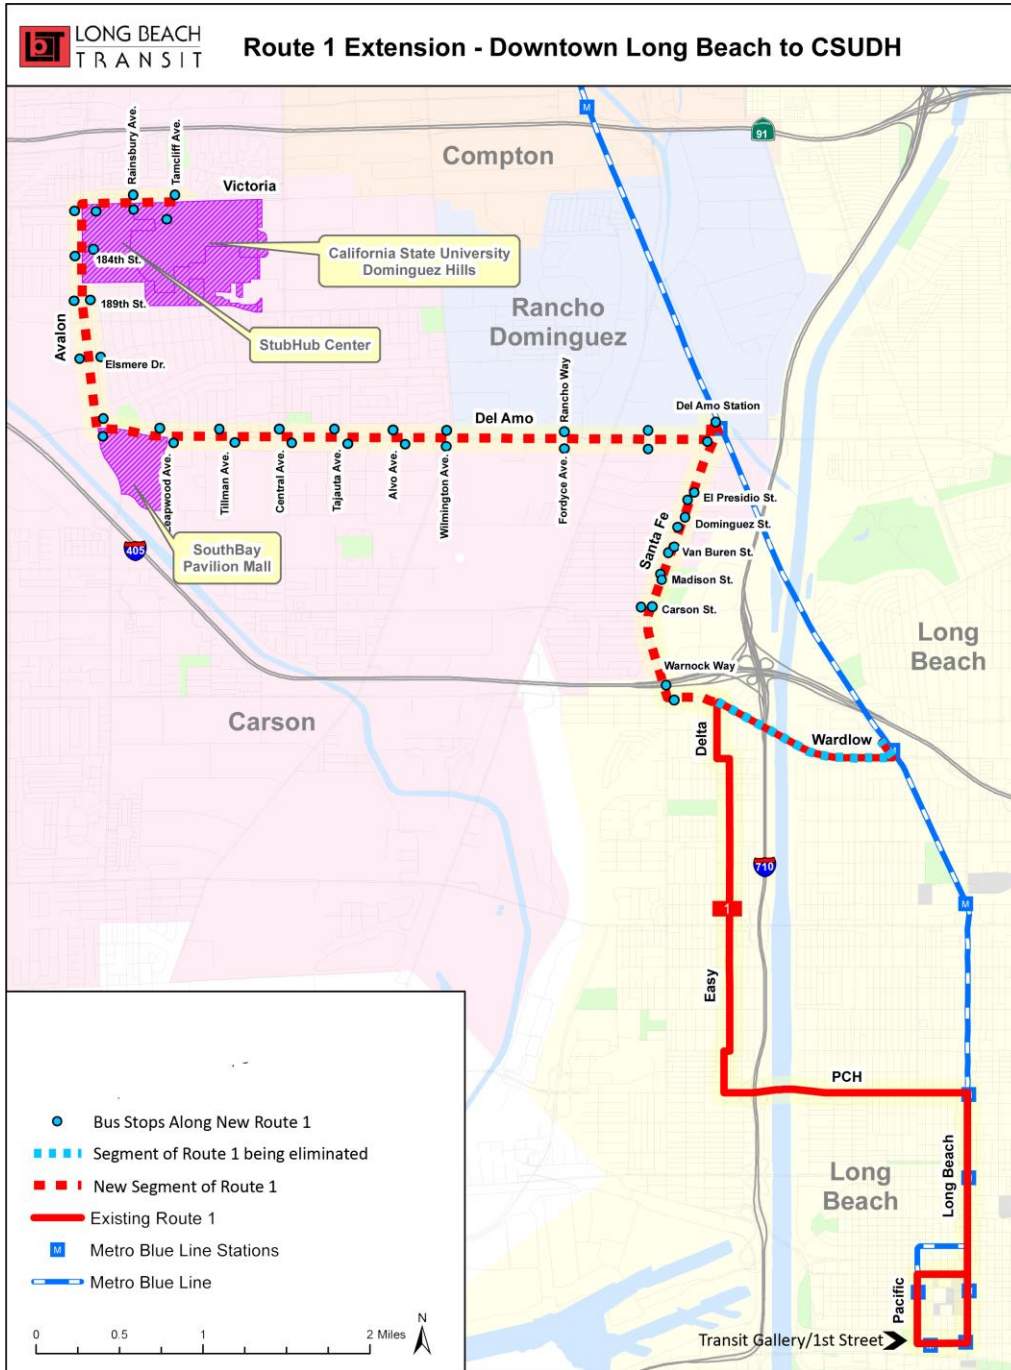

Route 181: Route 181 buses are changing to Route 131 buses and vice versa at Wardlow Station. Customers staying aboard the bus and changing lines must be prepared to pay a new fare. Service after 8:30 p.m. is being eliminated seven days per week due to low demand.

Routes 181 and 182: Service is being adjusted on weekdays from 40 to 45 minutes due to operational conditions.

Routes 191 and 192: Service on weekends is being operated earlier on Santa Fe to improve early morning connections to the Del Amo Blue Line Station.

Timepoints may have been changed to improve service.
